**Dr. Brandye Wilson-Manigat, MD, aka "Dr. Brandye"** is touted by patients and peers alike as one of the best OB/GYN physicians and surgeons. She has been published in respected medical journals and is frequently called upon by local and national TV, print, radio, and online media to give a fresh perspective and new information on women's health trends.

Dr. Brandye is a practicing physician and founder of The Women's Libido Institute - a sexual wellness company focused on educating doctors and women's health providers to gain a greater understanding of women with libido challenges so that they are better equipped to counsel and serve them. She is seen as the leading expert in women's sexual vitality, libido and orgasm health. Dr. Brandye is the chief medical advisor of DrBrandyeMD.com, where she helps women embrace their feminine essence, so they feel good both inside and outside of the bedroom.

A few words come to mind when describing Dr. Brandye – Best- Selling Author, Women's Libido Coach, National Speaker, and the go-to Media Expert on women's health. But those who've seen her ON CAMERA can usually describe her in one word – DYNAMIC. Dr. Brandye combines practical, responsible academic knowledge, with her charisma – making her a highly sought after media personality.

Dr. Brandye earned her Doctorate of Medicine degree from The David Geffen School of Medicine at UCLA and completed her residency at Rochester General Hospital in Rochester, NY.
